

IMS The 2018 IEEE MTT-S
International Microwave Symposium

PENNSYLVANIA CONVENTION CENTER • PHILADELPHIA, PA, USA

Exhibition Dates: 12–14 June 2018 • Symposium Dates: 10–15 June 2018

5G PAVILION ON EXHIBIT FLOOR

5G Events are back for 2018! IEEE MTT-S and IEEE ComSoc are continuing their partnership for a 5G Summit at IMS. Expert speakers will cover both the hardware/systems and networking/services aspects for the upcoming 5G Summit. The summit will provide a platform for industry leaders, innovators, and researchers from industry and the academic community to collaborate and exchange ideas in this emerging technology that will drive the standards and enable the early deployment of services.

This is a great opportunity for your company to showcase and demo your 5G products in a dedicated area on the exhibit floor.
